### **CDF Extends Public Comment Time on Jackson Demonstration State Forest Plan**

**Sacramento-** The California Department of Forestry and Fire Protection (CDF) will allow one extra week for public comment on the Environmental Impact Report (EIR) which analyzes the new management plan for the Jackson Demonstration State Forest in Mendocino County. The public may now submit comments until 5:00 P.M. July 8, 2002.

“There was a mix-up at one of the sites where the notice was being distributed. It wasn’t available there on schedule, so we decided to make up for that by providing this extra time,” said Chris Rowney State Forest Program Manager.

Anyone wishing to view the EIR for the Jackson Forest may visit the CDF website at [www.fire.ca.gov](http://www.fire.ca.gov). The report is also available at the CDF offices in Santa Rosa at 135 Ridgeway Avenue, in Willits at 17501 Highway 101 North, in Fort Bragg at 802 North Main Street, and at city libraries in Ukiah, Santa Rosa, and Fort Bragg.
